COMPANY AT A GLANCE

ESTABLISHED

1993

Founded in Ahmedabad as a proprietor firm.

ANNUAL TURNOVER

20 Cr

Grown from 6 Cr at the time of establishment.

TOTAL WORKING AREA

27,000 Sq. Ft.

Fully equipped workshop with in-house machinery and manpower.

EXPERIENCE

30+ Years

Leadership experience in handling and managing the fabrication industry.

About Us

VATVA · AHMEDABAD
GUJARAT · INDIA

S.S. Fabrication was established in 1993 as a proprietor firm and has since become one of the leading fabrication works, with complete machinery and manpower facilities.

Led by Mr. Samsuddin Luhar, the company's vision is to deliver every product under a Quality Assurance Plan — measuring success not by turnover, but by the satisfaction of its customers.

GROUP COMPANIES **M.S. ENTERPRISE / ASL INFRA PROJECTS**

ABOUT S.S. FABRICATION

HEAVY FABRICATION & MACHINERY JOB SPECIALISTS

S.S. Fabrication & M.S. Enterprise are among the leading heavy fabrication and machinery job-work specialists in Ahmedabad, serving engineering companies of many kinds.

Our expertise lies in M.S. fabrication and job work for the manufacturing sector. Heavy industrial products are fabricated from superior-grade materials procured from reliable and trustworthy sources.

Visionary leadership, backed by a team of expert engineers, supporting staff and skilled workers, drives us to achieve the highest level of customer satisfaction. As a small-scale unit with a fully equipped workshop, we meet the most stringent quality standards and respond to each customer's specific requirements.

— M.S. FABRICATION · WORKSHOP

> "We measure our success not through our turnover, but through our **customers' satisfaction.**"

LEADERSHIP

Mr. Samsuddin Luhar

DIRECTOR

More than thirty years of rich experience in handling and managing the fabrication industry. Our directors and partners are technically qualified, with vast experience in this field.

AREAS OF FOCUS

01 HEAVY FABRICATION	02 MACHINERY JOB WORK
03 M.S. FABRICATION	04 MANUFACTURING SECTOR
05 QUALITY ASSURANCE	06 SKILLED WORKFORCE

Every product delivered under a Quality Assurance Plan.

WHAT WE DO

CORE CAPABILITIES

Heavy fabrication, structural steel and erection, delivered from a 27,000 sq. ft. fully equipped workshop in Vatva, Ahmedabad.

01

M.S. FABRICATION

Core expertise in mild steel fabrication and job work for the manufacturing sector, using superior-grade materials.

02

STRUCTURAL FABRICATION

Industrial heavy structural fabrication, supply and erection for clients since 1993.

03

PRE-ENGINEERED STRUCTURES

Pre-engineered and structural building fabrication and erection.

04

INDUSTRIAL SHADES

Industrial shade structures, fabricated and erected on site.

05

HEAVY-DUTY VESSELS

Heavy-duty vessels and all types of heavy-duty fabrication.

06

CHIMNEYS & PIPE RACKS

Industrial stacks, pipe support structures and custom racks.

TRACK RECORD · SINCE 1993

MAJOR CLIENT EXPERIENCE

Major clients for whom S.S. Fabrication has executed industrial heavy fabrication, supply and erection.

MISSION STATEMENT

MISSION & VALUES

Our mission is to build our reputation for **integrity**, **excellence** and **leadership** as one of the finest engineering and contracting organisations by:

01

QUALITY

Continuously improving the standards and quality of our work.

02

CLIENT EXPECTATIONS

Constantly striving to exceed each client's expectations.

03

INTEGRITY

Maintaining our dedication to the highest moral principles.

OUR PRIME MOTTO

CUSTOMER'S SATISFACTION
